

# ALL PARTY PARLIAMENTARY PIGEON RACING GROUP

*As you will be aware the All Party Parliamentary Group for pigeon racing has been set up to raise awareness of our sport and support proposed solutions to the ongoing issues our sport has to endure. Please take the time to complete the enclosed letter to your relevant MP to encourage them to join the APPG. The more elected members on the group the better chance we have of achieving our aims and objectives.*

*To assist, a list of MP's is also included – simply enter the name of your relevant MP into the address, sign and post.*

----- CUT-OUT THE FOLLOWING -----

MP

House of Commons  
SW1A 0AA

Date:

Dear

I'm writing to you today to urge you to join the All Party Parliamentary Pigeon Racing Group which has recently been constituted in Westminster. I am doing so because of the considerable number of pigeon racers who live and enjoy the sport in your constituency.

The aims and objectives of the group are to promote understanding and support in Parliament of this historic national pastime and the problems it now faces. There are over 46,000 pigeon fanciers across the UK with many members in your Constituency.

In the past, the sport has been widely supported by MPs and peers, with an annual Lords versus Commons pigeon race held. The last being in 1928.

The Chair of the group is Chris Davies MP for Brecon and Radnorshire and I know that he and those of your colleagues who have already joined the group would welcome your support. Please contact me if you would like further information and also details on the proposed Lords vs Commons Pigeon Race which is due to be held in June.

Yours Sincerely
