RPRA NATIONAL AWARDS 2022

Over the past three weeks the RPRA National Awards have been collated and as you can see from the very many submitted results, it has once again proven to be a successful improvement based on coefficients. By far the most popular category for entries is the **Short Distance Award** which reflects majority of races flown by organisations during the season and requires five results to qualify for entry. These races must be between 65 miles as a minimum and a maximum of 250 miles and all of them count towards the final coefficient. There must also be a minimum entry of at least 150 birds per race with 10 lofts or more competing against each other. Entries with a birdage over 5000 per race are rounded down to a 5000 bird cap for calculations and all five races are added together to give the entrants final score with the lowest coefficient being deemed the winner. Each pigeon entered will have been verified and our Development Officer Richard Chambers has worked hard on checking through all entrants and unfortunately some very good pigeons have been disqualified due to the fanciers having not transferred ownership of the ring.

In first place was GB21Z26164 with a coefficient of 6.156 owned and raced by Williams Brothers in Oldbury and they win the Selby Thomas Memorial Trophy, a Medallion and £100 with second place going to GB20C23846 with a coefficient of 9.380 owned and raced by Ben Walton of Congleton who wins a Medallion and £60. Third was Stuart Wilcox in Bristol with his bird GB20N70069 on a coefficient of 10.306 winning a Medallion and £40.

The **Middle Distance Award** is calculated over two races between 250 miles and 450 miles with the first place going to Steven Cutts of Rotherham with his bird GB20N85325 recording a coefficient of 2.975 winning the Preston Trophy, Medallion and £100. In second place was Richard and Connor O'Shea recording a coefficient of 4.198 with their pigeon GB21Z41520 and they will receive a Medallion and £60, third place was the partnership of Hughes and Buckley of Rochdale with their bird GB20X18862 which will also receive a Medallion and £40.

The **Long Distance Category** is entered by fanciers whose pigeons which have flown over 450 miles and is judged by the council based on the merits of the results submitted. Generally,

there is only one race per season in which the same bird would compete, so it is not possible to calculate a fair coefficient with races over 450 miles plus duplications are not considered either. First place goes to the NFC Tarbes Grand National winner Ron Pendleton who took first place against 2035b flying 714 miles and GB17Z62140 wins a Medallion and £100. Second place is C McArdle & Sons pigeon GB20B45105 in Banbridge, Co Down in Northern Ireland and they win a Medallion and £60. Third was John and David Staddon in Dicheat with GB19B03004 who also win a Medallion and £40.

The **Tony Cornwell Trophy** for the best all round old bird was won by Mellonby, Knowles & Simpkin in Bridlington with GB19Z56447 over three submitted race results based on coefficient of 6.157 and they win the Trophy, a Medallion and £100. Second was Peter Wells in Dunstable with GB19H36757 on a coefficient of 9.154 winning a Medallion and £60 and in third place was John Wood and Son in Oldham with GB20N47255 recording a coefficient of 14.122 and they too will receive a Medallion and £40.

The **Massarella Trophy** is awarded to the best all round young bird of the season based on the coefficient over three races, with Darren & Reece Williams in Cleo Mortimer winning the trophy with GB22Z34341 and a coefficient of 4.019, they will also receive a Medallion and £100. Second place was GB22C29155 owned and raced by Steven Brenton and Son in Castleford with a coefficient of 7.629 and they will receive a Medallion and £60. Third was Mike Bundy in Norwich racing his young bird GB22A13405 on a coefficient of 8.387 and wins a Medallion and £40.

The **Young Fanciers Intermediate** 16 to 21 years old short distance 60 to 250 miles was won by Miss Keelie Wright in Craigavon, Northern Ireland with her two year old pigeon GB20L10971. Much has been written over the past few years about Keelie as she has had many successes in the RPRA Awards racing in the mighty NIPA, well done once again Keelie. The Intermediate 16 to 21 years old Long Distance Award for 450 miles and over goes to Owen Aberly in Reading with his pigeon GB20N08099 and once again a regular to the awards having won in 2021. It is great to see these two very successful young fanciers

continuing to enjoy their racing whilst having to study for exams in higher education. The **Young Fancier Short Distance Award** for those under 16 years old is flown over five races and first place goes to Ethan Nightingale in Dover with his pigeon GB21L01022 recording a coefficient of 40.144. Second place was HT & L Larkin in Lugan, Northern Ireland with GB19L17540 on a coefficient of 119.149 and third was Millie Anne Coleman in Dover with GB20D10491 on a coefficient of 206.712. Great to see the youngsters achieving these National Awards and well done to all concerned.

The **Guy Barrett Trophy** is awarded by judges on letters submitted by clubs who think their young fancier deserves recognition for their service to the club and results achieved throughout the season. The winner for 2022 is a young man in Crewe who is a member of the Carlisle South End Club and was nominated by the Chairman, L Silverwood. He wrote "On behalf of the members of the Carlisle South End Club I would like to nominate one of our young members Oliver Langford for the Young Fancier Award 2022. During the season Oliver has been very active at all club events, assisting at marking and clock checking sessions. He has also been very successful with his racing winning the following positions, 1st, 2nd, 3rd & 6th from Salisbury with just four entries, 1st and 2nd from Marlborough, 1st from Holmsley, 4th from Stratford on Avon and 2nd & 3rd from Ingleton whilst also featuring on Federation results and scoring 32nd Combine from Holmsley. The young man is a credit to the sport and hopefully in time will develop into a top class fancier". Well done Oliver, both your club mates and the judges in council consider you to be truly deserving of the Young Fancier of the Year Award and you also win the Guy Barrett Trophy. Keep up the good work! A huge congratulations to all those who have won these RPRA National Awards which will be presented at the Gala Evening Show in Blackpool. A big thank you to RPRA Development Officer Richard Chambers for putting all this together and I would also like to point out that tickets for the Gala are going on sale on the RPRA website www.rpra.org and we look forward to applauding you there. Chris Sutton, CEO.
